

Alessandro Chiolerio

Italian Institute of Technology

Dr. Alessandro Chiolerio got a PhD in Electron Devices at the Physics Department of Politecnico di Torino with emphasis on nanomagnetism and spintronic devices.

During his post-doctoral period he worked on nanostructured materials and inkjet printing techniques. Since 2012 he works at the Center for Space Human Robotics, Istituto Italiano di Tecnologia, coordinating research activities for the Smart Materials Platform.

A. Chiolerio is coauthor of more than 55 papers on international journals, 14 books / book chapters, 7 patents.

In 2008 Alessandro founded a spin-off company, Politronica Inkjet Printing S.r.l., which developed products and patents jointly with Politecnico di Torino and Istituto Italiano di Tecnologia on innovative nanostructured inks for electromagnetic applications.
